**Summary of reasons  
for classification:**

The DVD *Cowboy Bebop Remix Four* is classified as:  
Unrestricted: Parental guidance recommended for younger viewers.

The DVD contains a feature that is identical to that on a video recording previously examined and classified by the Office of Film and Literature Classification. The video recording was classified as "Unrestricted: Parental guidance recommended for younger viewers", with the descriptive note "Contains violence". This decision was registered on the 8<sup>th</sup> of January 2003.

The DVD has different trailers to those on the video recording, and contains a menu structure and DVD credits page. These different components do not provide grounds to alter the classification given to the video recording version of this publication.
